

Skydive Netheravon Terms & Conditions

The skydive is promoted by Parkinson's UK, a charity registered in England and Wales No. 258197 and in Scotland No. SC037554.

The skydive is organised in association with the Army Parachute Association (APA) at Netheravon Airfield. The APA is responsible for the logistics of the event on the day.

These terms and conditions apply to all participants. For participants aged 16 or 17 their parent or guardian is accepting the terms and conditions on their behalf.

Participation

- 1.1 Age restrictions apply. Participants must be 16 years or over on the day of the skydive. 16 and 17 year olds must get their parent or guardian to complete the registration form on their behalf.
- 1.2 Health restrictions apply. Participants must be in suitable physical condition to undertake the challenge (your height and weight should be in proportion as there is an increased risk of injury if this is not so) and be fully aware of the possible risks inherent in the challenge activity. Some of the medical conditions that could impact on your participation include, but aren't limited to: epilepsy, fits, severe head injury, recurrent blackouts or giddiness, disease of the brain or nervous system, high blood pressure, heart or lung disease, dislocated shoulder, recurrent weakness or dislocation of any limb, diabetes, mental illness, drug or alcohol addiction and some cases of asthma. If you have any concerns please contact the Events Team on 020 7932 1369 before proceeding. **All participants must complete the medical information section of the registration form. Only once we have reviewed and approved this information will your place will be confirmed and your registration fee payment processed.**

If any of the information provided during registration is incorrect your place may be withdrawn and you may be liable to pay the challenge costs.
- 1.4 If your health situation changes or your weight changes dramatically it is your responsibility to inform the charity as soon as possible, and your participation may need to be re-evaluated.
- 1.5 All participants must complete the relevant Tandem Student Parachutist Medical Information and Declaration Form, and bring this on the day of the skydive. If you are medically fit you can self certify using Form 115A. If you have any medical conditions, you must consult your GP to sign and stamp the Form 115B. A copy of Form 115A and 115B will be sent to you in your welcome pack. Under 18s who are self certifying using Form 115A will need their form signed by their parent or guardian. If you arrive without the necessary paperwork you may forfeit your skydive.

must also be able to lift your knees up to your chest for the required amount of time.

- 1.7 We reserve the right on reasonable grounds to decline your request to participate in the challenge. The final decision on your suitability to tandem skydive rests entirely with the airfield and their instructors.

2) Challenge Costs & Sponsorship

- 2.1 Places are subject to availability and will be allocated on a first come, first served basis for those who correctly complete the booking formalities.
- 2.2 To book your place a registration fee of £55 must be paid to Parkinson's UK when returning the completed booking form or via our online booking process. Your registration fee is non-refundable. Payment will only be taken once your place has been approved. Once we have processed the payment we will issue you with a receipt.
- 2.3 You must raise a minimum of £495 in sponsorship. You will be required to make up the balance yourself should you not reach this target. There is no maximum limit. 80% of your £495 target (£396) must be sent to Parkinson's UK at least eight weeks before the skydive (4 May 2018). Failure to receive this will mean non-participation in the challenge and forfeiture of the registration fee. The remaining 20% (£99) must be sent to Parkinson's UK four weeks after the skydive (14 July 2018).
