Calling all adrenalin junkies! This is your chance to abseil 220ft down England's highest waterfall – Canonteign Falls. The waterfall is situated at the edge of Dartmoor's National Park in the heart of Devon's Teign Valley, offering some of the county's most spectacular waterfall and woodland scenery.

No experience is necessary but this is an extreme challenge, so to take part you'll need to be fit and confident on your feet. All safety kit is supplied and everyone taking part will be fully briefed beforehand.

The entry fee is £30 and there is a minimum sponsorship target of £150. All the money raised from this event will help us find a cure and improve life for everyone affected

by Parkinson's. Please note that you will be allocated a time slot between 9am and 5pm.

All abseilers get a fundraising pack, sponsorship forms and a T-shirt. We'll support you through your fundraising, as well as be there on the day to cheer you on!

The views are spectacular. The challenge is terrifying. The cause is rewarding. Are you up for it?

We're the Parkinson's charity that drives better care, treatments and quality of life. Together we can bring forward the day when no one fears Parkinson's.
