### Candidate's statement – limited to 300 words

The brief statement you submit on this form is core information that voting members will receive about each candidate. We will publish this statement alongside your photograph in the candidates' booklet which will be circulated to members to help inform their voting.

If you wish, and subject to the [canvassing guidelines](#), you may link through to your own social media accounts and/or a URL to a personal website. Our acceptance of any video will be subject to the charity's filming guidelines and protocols.

However you wish to proceed, the opportunity is to tell the electorate who you are, your skills and experience and any particular qualities that you would bring to the board. You may like to include:

- why you are interested in becoming a trustee and what your ambitions or aspirations would be if you were elected;
- any relevant professional or voluntary skills and experience;
- any personal experience of Parkinson's and involvement with a local group or charity activity

Please return your completed form by **5pm, Friday 29 August 2024**
